

The Food Chain Mobile

Standard 3240-0202

Introduction

Students will create their own food chain mobile using a model they create before hand.

Materials

- Paper
- Pencils
- Colored pencils, markers, or crayons
- tape and string
- scissors

Procedures

1. Cut out and prepare a model of the mobile found on this page.
2. Have students recreate this mobile.
3. Have students create their own mobile using paper, pencil, magazines, or anything else they can cut pictures of animals and plants from.

Note: When creating their own mobile, do not allow students to use more than 1 of the animals or plants from the first mobile

A [black and white version](#) of the above mobile is available in Adobe

Acrobat format.

[Print this page](#) in Adobe Acrobat format.
